Reap the wild Wind

Reap the wild wind. (Repeat 3 times)

A finger points to show a scene. (Take my hand. Take my hand.)
 Another face where mine had been. (Take my hand. Take my hand.)
 Another footstep where I once walked. (Take my hand)
 Take it all.

Chorus:

You take my hand and give me your friendship.
 I'll take my time and send you my slow reply.
 Give me an inch and I'll make the best of it.
 Take all you want and leave all the rest to die.

Reap the wild wind.

A footprint haunts an empty floor. (Take my hand. Take my hand.)
 A fading coat that I once wore. (Take my hand. Take my hand.)
 Oh, desolation where I once lived.
 I have seen in times gone by.
 I have felt a different shadow on the wall,
 A stranglehold on a certain feeling.

(Chorus)

Reap the wild wind. (Repeat 2 times)

(Chorus)

Reap the wild wind.

Serenade

Chorus:

Serenade, in rhythm and swing.
 Serenade, the gift that we bring.
 Serenade, youth runs wild with the beat in their hearts.
 Dance a wild dance, be torn apart.

Voices ringing in their heads.
 Their crashing hands in time.
 In sequence and in rhyme.
 The chant of a thousand-fold.
 The song of a million strong.
 Echoes their perfect praise.

(Chorus)

From the mouths of babes and fools.
 Hunted melodies.
 With gracefulness and ease.
 Compose their gifted words.
 Orchestrate their moves.
 Echo the perfect praise.
 Serenade.

(Chorus)

Prophets tell the tale.
 The legend and the lies.
 The fable and the rhymes.
 The chant of a thousand-fold.

The song of a billion strong.
Echoes the perfect praise.
Serenade!

(Chorus)

In rhythm and swing.
The gift that we bring.
Youth runs wild with the beat in their hearts.
Dance the wild dance, be torn apart.

Serenade, in rhythm and swing. (Repeat 5 times and fade.)
Serenade, the gift that we bring.

Mine for Life

Chorus:

A life as a stranger,
Hands through a wire,
Forbidden desires,
Are mine for life.

Looking from a spiral staircase,
At a man with a suitcase,
As he shades his eyes.

Watching from a stained glass shelter,
He bides his time and thinks,
There must be more to life than this.

(Chorus)

The poet reads his words out loud,
To a make-believe crowd,
In the quiet of his room.

Careful where the tears are falling,
He closed the book and cried,
There must be more to love than this.

See the boy on the walkway
Where the young have their own say,
And it screams from the wall.

He's writing for the hundredth time there,
I hate it all but,
There must be more to hate than this.

(Chorus - Repeat 4 times and fade)

Hymn (deutsch)

Give us this day all that you showed me.
The power and the glory 'til thy kingdom come.

Chorus:

Give us this day all that you showed me,
The power and the glory 'til thy kingdom come.
Give me all the story book told me,
The faith and the glory 'til thy kingdom comes.

And they said that in our time,

All that's good will fall from grace.
Even saints would turn their face,
In our time.

And they told us that in our days,
Different words said in different ways,
Have other meaning from he who says,
In our time.

(Chorus)

And they said that in our time,
We would reap from their legacy,
We would learn from what they had seen,
In our time.

And they told us that in our days,
We would know what was high on high,
We would follow and not defy,
In our time.

(Chorus)

Faithless in faith.
We must behold the things we see.

(Chorus - Repeat 4 times and fade)

Visions in blue

Face in the window in the night.
Caught for a second by the light.
Ashes of memories still aglow. (Only for you)
Portraits and pictures you once saw.
Visions in blue.

Read while the letters still remain.
Sip from the wine of youth again.
Oaths made in silence still return. (Only for you)
Cast like a shroud your clutching arm.
Visions in blue.

Catch aimless smiles from passers-by.
Blistered and broken in reply.
Breath seems to mist the hazy view. (Only for you)
Tears coat your lifeless eyes with dew.
Visions in blue.
Visions in blue.

Ashes of memories still aglow. (Repeat 3 times)
Portraits and pictures you once saw.

Face in the window in the night.
Caught for a second by the light.
Ashes of memories still aglow. (Only for you)
Portraits and pictures you once saw.
Visions in blue.

When the Scream Subsides

Chorus:

(And we talked) Just the two of us.
(All the time) Nothing serious.

(We pretend) Time is on our side.
(Til the end) When the scream subsides.

Yes, we had it all, had the key gripped in our hands.
We could see the fall as a martyr understands.
When the chorus calls there's no room for hope inside.
Lose it all when the scream subsides.

(Chorus)

Yes, we took the role of the lovers and the friends,
And we played the parts 'til the words came to an end.
But the tongues were tied in the passion and the pride.
Wasted all when the scream subsides.

(Chorus - Repeat 2 times and fade)

We came to Dance

Chorus :

We came to dance.
Making moves from a passion play.
The ties that bind us just slip away.
We came to dance.
The piper calls out a different rhyme.
He cracks the whip and we step in time.

Standing as the parade goes passing by.
I hear a voice around me cry.
Like the sound of distant drums.
Rejected and alone.
A heart without a home.
And someone said...

(Chorus)

We came to dance.

Waiting as the panic grips my hand.
Hearing prose from high command.
Like a million times before.
No dignity or grace.
It's the prize and not the race.
And someone said...

(Chorus)

We came to dance.

We came to dance.
Making moves from a passion play.
The ties that bind us just slip away.

"Take what you can" they said.
Take it while you may.
But keep in mind the penalty fits the crime.
And it deals no softened blow.

(Chorus - Repeat 3 times and fade)

Cut and Run

Chorus:

See the man on the 'phone,
With a gun in his hand,
Sipping courage from a crystal cup.
He's a man in the wrong,
With a gun at his head,
Pushes on and now it's time to cut and run.

Time, passing so slowly.
Still, as he sits and he watches the sand slip through his hands.
He demands something more,
Something strong,
Something savage and pure.
One more twist of the knife and it's time to cut and run.

(Chorus)

He smiles, as he draws on his last cigarette,
And he tries to forget all that forces every move.
He commands something new,
Something strong,
Something spiteful and true.
One more twist of the knife and it's time to cut and run.

Cries on his tape so they might understand.
Signs his farewell with a squeeze of his hand.

(Chorus - Repeat 4 times and fade)

The Song (We Go)

Chorus:

Welcome to..
Welcome to..
Welcome to the song.

Hear the words of the syncopated rhythms.
Welcome to the song.
And when it calls you, time to move on.
We go!

(Chorus)

Feel the strength of a hundred thousand heartbeats,
Cry welcome to the song.
And as it lifts you, time to move on.
We go!

(Chorus)

Drawn from the inside,
Time to move on.

We go!
We go!

Hymn

Gib uns heute alles, was du mir gezeigt hast
Die Kraft und der Ruhm bis dein göttliche Reich kommt

Gib uns heute alles, was du mir gezeigt hast
Die Kraft und der Ruhm bis dein göttliche Reich kommt

Gib mir alles, wie mir im Märchen erzählt wurde
Der Glaube und der Ruhm bis dein göttliche Reich kommt

Und sie sagen, dass in unserer Zeit
Alles, was gut ist, von der Barmherzigkeit abfallen wird
Sogar Heilige würden ihre Gesichter abwenden
In unserer Zeit

Und sie sagten uns, dass in unseren Tagen
Unterschiedliche Worte
Auf unterschiedliche Weise gesagt werden
Sie haben andere Bedeutungen als das, was er sagt
In unserer Zeit

Gib uns heute alles, was du mir gezeigt hast
Die Kraft und der Ruhm bis dein göttliche Reich kommt
Gib mir alles, wie mir im Märchen erzählt wurde
Der Glaube und der Ruhm bis dein göttliche Reich kommt

Und sie sagten, dass in unserer Zeit
Wir von ihrem Erbe ernten würden
Wir würden von dem lernen, was sie gesehen haben
In unserer Zeit

Und sie erzählten uns, dass in unseren Tagen
Wir das, was oben im Himmel war, kennen würden
Wir würden folgen und nicht trotzen
In unserer Zeit

Gib uns heute alles, was du mir gezeigt hast
Der Glaube und der Ruhm bis dein göttliche Reich kommt

Treulos im Glaube
Wir müssen die Dinge erkennen, die wir sehen

Gib uns heute alles, was du mir gezeigt hast
Der Glaube und der Ruhm bis dein göttliche Reich kommt

Gib uns heute alles, was du mir gezeigt hast
Die Kraft und der Ruhm bis dein göttliche Reich kommt
Gib mir alles, wie mir im Märchen erzählt wurde
Der Glaube und der Ruhm bis dein göttliche Reich kommt

Gib uns heute alles, was du mir gezeigt hast
Die Kraft und der Ruhm bis dein göttliches Reich kommt
