Alfie

Whats it all about, alfie?
 Is it just for the moment we live?
 Whats it all about when you sort it out, alfie?
 Are we meant to take more than we give
 Or are we meant to be kind?
 And if only fools are kind, alfie,
 Then I guess its wise to be cruel.
 And if life belongs only to the strong, alfie,
 What will you lend on an old golden rule?
 As sure as I believe theres a heaven above, alfie,
 I know theres something much more,
 Something even non-believers can believe in.
 I believe in love, alfie.
 Without true love we just exist, alfie.
 Until you find the love youve missed youre nothing, alfie.
 When you walk let your heart lead the way
 And youll find love any day, alfie.

Man of the World

Shall I tell you about my life
 They say Im a man of the world
 Ive flown across every tide
 And Ive seen lots of pretty girls

 I guess Ive got everything I need
 I wouldnt ask for more
 And theres no one Id rather be
 But I just wish that Id never been born

 And I need a good woman
 To make me feel like a good man should
 I dont say Im a good man
 Oh, but I would be if I could

 I could tell you about my life
 And keep you amused Im sure
 About all the times Ive cried
 And how I dont want to be sad anymore
 And how I wish I was in love

Goodbye to Love

I'll say goodbye to love
 No one ever cared if I should live or die
 Time and time again the chance for love has
 passed me by
 And all I know of love is how to live without it
 I just can't seem to find it

 So I've made my mind up I must live my life
 alone
 And thought it's not the easy way
 I guess I've always known
 I'd say goodbye to love

 there are no tomorrows for this heart of mine
 Surely time will lose these bitter memories
 And I'll find that there is someone to believe in
 And to live for
 Something I could live for

 All the years of useless search

Have finally reached an end
Loneliness and empty days will be my only friend
From this day love is forgotten
I'll go on as best I can

What lies in the future is a mystery to us all
No one can predict the well of fortune as it falls
there may come a time when I will see that I've
been wrong
But for now this is my song

And it's goodbye to love
I'll say goodbye to love

Day after day

I remember finding out about you
Every day, my mind is all around you
Looking out from my lonely room, day after day
Bring it home, baby, make it soon
I give my love to you

I remember holding you while you sleep
Every day, I feel the tears that you weep
Looking out of my lonely gloom, day after day
Bring it home, baby, make it soon
I give my love to you

Looking out of my lonely room, day after day
Bring it home, baby, make it soon
I give my love to you

I remember finding out about you
Every day, my mind is all around you
Looking out of my lonely gloom, day after day
Bring it home, baby, make it soon
I give my love to you.

Let the Heartaches begin

Can hear the guitars start to play
And very soon they say
I was a fool to turn my love away
And with each glass of wine I feel a glow
And very soon I know
I was a fool to let my baby go

So let the heartaches begin
I can't help it, I can't win
I've lost that girl for sure
Tears won't help anymore
So let the heartaches begin
I can't help it, I can't win
I've lost that girl for sure
But now she's gone
I can't hold back the tears anymore

I can see the couples dancin' through the night
They hold each other tight
As they dance in love till the morning light
The soft embraces that they seem to share
Just make me feel aware
Of the loneliness I find so hard to bear

So let the heartaches begin
I can't help it, I can't win
I've lost that girl for sure
My tears won't help anymore
So let the heartaches, heartaches begin
I can't help it, you know that I just can't win
I've lost that girl for sure
But now that she's gone
I can't hold back the tears anymore

I've lost that girl for sure
But now she's gone

I can't hold back the tears anymore

My minds Eye

I sit here every day
lookin' at the sky
ever wondrin' why
I dream my dreams away
And I'm livin' for today
In my minds eye

Things are clearer than before
Showing my the way
Asking me to stay
I'll never close the door
to all these things and more
in my minds eye

everybody I know says I've changed
Laughin behind their hands I think their strange

People runnin' everywhere
Runnin' through my life
I couldn't give a damn
`cause they'll never see
all that I can see
With my minds eye

everybody I know says I've changed
Laughin behind their hands I think their strange

People runnin' everywhere
Runnin' through my life
I couldn't give a damn
`cause they'll never see
all that I can see
With my minds eye

Song For while I'm away

These words I wrote, play and sing to you
Do not convey the love I brought and bring to you
For this is a song for while I'm away
To say all the things I'd love to say

You are my life, my everything, you're all I have
You are my hopes, my dreams, my world come true
You're all I have
Please heed me now these words I have to say

Now I'm headed for the border
You see this song it ends right at the start
I swore when I was younger
No one would win my heart

You are my life, my everything, you're all I have
You are my hopes, my dreams, my world come true
You're all I have
Please heed me now these words I have to say

And far away hills look greener still
But soon they'll all slip away
It's then I'll be returning
And I'll be coming home to stay

Nevermore

There's no living in my life anymore
The seas have gone dry
And the rain's stopped falling
Please don't you cry any more
Can't you see
Listen to the breeze
Whisper to me please
Don't send me to the path of nevermore

Even the valley's below
Where the rays of the sun
Were so warm and tender
Now haven't anything to grow
Can't you see?
Why did you have to leave me?
Why did you deceive me?
You sent me to the path of nevermore
When you say you didn't love me anymore
nevermore nevermore

Even the valley's below
Where the rays of the sun
Were so warm and tender
Now haven't anything to grow
Can't you see?
Why did you have to leave me?
Why did you deceive me?
You sent me to the path of nevermore
When you say you didn't love me anymore
nevermore nevermore

To Sir with Love

Those schoolgirl days of telling tales and biting nails are gone
But in my mind I know they will still live on and on
But how do you thank someone who has taken you from crayons to perfume?
It isn't easy, but I'll try

If you wanted the sky I would write across the sky in letters
That would soar a thousand feet high 'To Sir, With Love'

The time has come for closing books and long last looks must end
And as I leave I know that I am leaving my best friend
A friend who taught me right from wrong and weak from strong
That's a lot to learn, but what can I give you in return?

If you wanted the sky I would write across the sky in letters
That would soar a thousand feet high 'To Sir, With Love'

If you wanted the moon I would try to make a start
But I would rather you let me give my heart 'To Sir, With Love'

Lady Stardust

People stared at the makeup on his face
Laughed at his long black hair, his animal grace
The boy in the bright blue jeans
Jumped up on the stage
And lady stardust sang his songs
Of darkness and disgrace

And he was alright, the band was all together
Yes he was alright, the song went on forever
Yes he was awful nice
Really quite out of sight
And he sang all night long

Femme fatales emerged from shadows
To watch this creature fair
Boys stood upon their chairs
To make their point of view
I smiled sadly for a love I could not obey
Lady stardust sang his songs
Of darkness and dismay

And he was alright, the band was all together
Yes he was alright, the song went on forever
And he was awful nice
Really quite out of sight
And he sang all night long

Oh how I sighed when they asked if I knew his name

He was awful nice
Really quite paradise
He sang all night long
all night long
